Address: _____

Home Phone: _____ Cell Phone: _____

Email: _____

*The Sacramento Valley Scholastic Chess League (SVSCL) is open to all public, private and home-schooled students. We provide the opportunity for students to play chess competitively as individuals and/or part of a school team. In order to play in SVSCL tournaments, a student must be a member of the United States Chess Federation (USCF) and the SVSCL. Annual memberships are valid for one year and allow students to participate in SVSCL and/or USCF sanctioned tournaments. A combined federation and league membership fee of **\$35** is required of each player. This fee must be renewed annually.*

Please check ONE of the three options below.

a) _____ I would like my child to become a member of the *United States Chess Federation* and the *Sacramento Valley Scholastic Chess League*! Attached is a **check made out to the SVSCL** in the amount of **\$35**.

b) _____ I would like my child to become a member of the *United States Chess Federation* and the *Sacramento Valley Scholastic Chess League*! I cannot afford some or any of the \$35 fee. I am able to instead pay (circle one) **\$5 \$10 \$15 \$20 \$25 \$30**, and would like information about scholarship options our school might offer that could help offset the membership fee. (*Please only use this option if you are sincerely in need of special financial accommodations!*)

c) _____ My child is currently a member of the *USCF* and will renew on the expiration date listed above. A membership fee to *SVSCL* is attached in the amount of: **\$15** (age 15 and under) OR **\$10** (age 16 and older).

PLEASE CHECK ONE: *The SVSCL has a website (www.svscl.org) which provides valuable information for our members. We occasionally like to post pictures of our tournaments and players. Does the SVSCL have permission to post pictures of your child, minus any names, to our website?* _____ **YES** _____ **NO**
